

Michigan Boys All-Time Lists

Compiled by Jeff Hollobaugh – www.michrack.org

Michigan high school track outdoor all-time lists. These are the original and most authoritative lists available. Copyright © Michtrack 2024. All use by media organizations should be credited.

Updated once a year; check the current season lists to see how those marks affect these all-time lists.

Remember that some of these lists are *long* and have sub-categories. The sprints will show legal, automatic-timed (FAT) marks first, then there's a wind-aided list, then a hand-timed legal list, then a hand-timed windy list, etc.

Symbols: +=converted mark; #=en route time; (A)=mark set at altitude (1000m+); (!) secondary mark in field event series.
