

MICHIGAN BOYS ALL-TIME STATE RECORDS

Compiled using the standard rules of IAAF & USATF

These are the best marks set in any legitimate competition by Michigan High School athletes. In following basic Track & Field News policy that has been used to keep national high school records for over 50 years, the summer season is included. For the events where legal wind measurement is required for record recognition, only marks where it has been determined a wind gauge official has certified the mark as legitimate are considered. In the sprint/hurdle events, only fully-automatic times can be considered. No converted marks are considered.

10.52	Ahmad Rashad (Flint Carman-Ainsworth)	100 METERS	New Orleans/AAU Junior Olympics (h) (0.1). 8/ 7/2005
